## JCYF Membership Form

I, \_\_\_\_\_ would like to be a member of Josephine County Youth Foundation through \_\_\_\_\_ High School. By becoming a member I am committing to attending meetings, volunteering for projects and community activities. I agree represent and honor what JCF stands for. I will uphold the standards listed below.

### Mission Statement

A student-led non-profit that inspires, engages, and strengthens the community through innovative leadership and service.

### Vision

To transform Josephine County into a vibrant community in which every individual has the opportunity to be healthy, educated, and prosperous.

### Purpose

High school and Middle School students of the Josephine County Youth Foundation (JCYF) use their energy and creativity to improve the social and economic wellbeing of Josephine County. Working with local leaders, students identify community needs and perform service projects to address those needs. JCF students learn valuable leadership and teamwork skills by managing their service projects, operating a non-profit business, and raising funds for their projects. Through JCF, students are becoming an experienced generation of philanthropists with a lifelong commitment to the community.

### Meetings:

Every other week depending on your school. Check in with your student rep for more information.
